Re: Freedom of Information Request No. EPA-R2-2014-004812
Dated: March 20, 2014

Dear Ms. Nagel:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing a copy of the RCRA Facility File Index Sheets for Lanxess Sybron Chemicals Inc. at 200 Birmingham Road in Birmingham, New Jersey. There may be other RCRA documents that the EPA RCRA Project Manager would have that are not included on the enclosed index sheets. We are checking with the EPA RCRA Project Manager on this. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for Lanxess Sybron Chemicals in Birmingham, New Jersey.

The approximate amount of RCRA information that we have in our RCRA file room is about 3 feet. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

For further information regarding the fact sheets for Nepera, Division Rutherford Chemicals in Harriman, New York, you can access information from the internet at:
<http://www.epa.gov/region02/waste/fssybron.htm>.

We welcome you to visit our office to review the RCRA files. We will arrange to make the files available to you. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor
290 Broadway
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Number NJD002339406.

If you decide that you can not visit us, another suggestion is that you can select the information that you need from the RCRA Facility File Index Sheets. You can place an asterisk next to the documents that interest you on the index sheets, and then fax the indexes to Mr. Abrines at (212) 637-3526. Or, you can e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on any inquiries regarding this response. We wait to hear from you as to how you want us to proceed with your request.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Adolph S. Everett".
